

MAMA'S BIRDS PERFORMING ARTS YOUTH ORGANIZATION

Dear Parents & Students,

Thank you so much for expressing an interest in the Mama's Birds Performing Arts Youth Summer Program. We are venturing into our 8th successful year and it means so much to us that you've decided to become a part of this organization. We are truly committed to the growth and success of our students, so we promise to do the best we can to make this the most enjoyable experience for your child, as well as the most convenient experience for you. We believe that with our efforts and your time, this will be one of the most memorable moments of your child's life. So if there is anything else that we can do to make our time together that much more fulfilling, please don't hesitate to let us know.

In the meantime, the Mama's Birds Performing Arts Youth Summer Program is specifically designed to help nurture the gifts that your child either has or would like to develop, while educating them on what to look forward to within the entertainment industry. So even though it's not designed to create superstars overnight, it was created to provide a solid foundation and platform for the youth to blossom as a performer, whether by hobby or by trade, while having a fun, interactive and healthy way of approaching it.

The summer classes also provide an all-inclusive format that is purposely constructed to bread multi-talented individuals. Our program creates an environment that allows our youth to challenge themselves beyond their own limits and to discover other untapped talents that they were otherwise unaware of. So all students enrolled in the program will receive the following services:

Singing Lessons
Songwriting Lessons
Bio Development
Cash Earned

Dance Lessons
Studio Recording
Celebrity Guest Speakers
Stage Presence Coaching

Acting Lessons
Photo Shoots
Image Development
Big Finale Showcase

Although we would love to give every child the opportunity to be a part of this program, we can only accommodate so many students. So space is strictly limited to 25 seats and will be provided on a **1st COME 1st SERVE** basis. Parents will be given every opportunity to reserve their child's seat at any time before classes begin as long as space is still available. **IF YOU WOULD LIKE TO SPONSOR A CHILD**, those options are available as well.

ONLY 3 EASY STEPS REQUIRED TO RESERVE YOUR CHILD'S SEAT:

STEP 1: Completed Application (**one for Mamas Birds & one for Park Forest**)

STEP 2: Signed Release Form

STEP 3: Registration Fee of \$30 to be paid by cash, check or money order

PLEASE NOTE: The \$30 registration fee is in addition to the tuition cost this year, is non-refundable. This will help assist in the cost of snacks and materials at the start of the program. **Pay to the Order Of: The Village of Park Forest if your location is Park Forest, or Payable to: Mama's Birds if your location is Ford Heights.** Any attendants whose checks are returned NSF will be required to cover the \$35 NSF fee & will not be allowed to pay by check for the duration of the program.

We are so excited about the opportunities that this program provides to our youth and our community, and we certainly look forward to experiencing the growth and potential with you. So we thank you so much for your interest in the program, and truly look forward to a great summer.
